

The Drachenfels in the Siebengebirge

The Drachenfels, probably the best-known mountain in the region around Cologne and Bonn, features the ruins of a castle on its summit that can be seen from a great distance and together with the Drachenfels plateau is one of the most popular local recreational destinations in the Rhineland. During our hiking tour in Siebengebirge we will enjoy the castle „Drachenburg“, the ruin of Drachenfels and a beautiful landscape of Middle Rhine.

The excursion is free for students with a German student ID. The tour will take place on Saturday, 16th September, from 11 am till approximately 7 pm. Please register by 14th September. You will be informed about our meeting point after the registration.
