One of the most beautiful hiking tours of NRW lies right outside your door. Our tour begins at the Müngstener Brücke, which is, at 107 meters, the tallest steel truss bridge in Germany. We will follow the river Wupper to the main attraction of the Bergisches Land: Schloss Burg.

Fees: hiking tour is free including the entrance into the castle.

The excursion takes place on Saturday, 14th September 2019. We depart at 11.40 am, and we expect to return at 7 pm. We will inform you about all the details after the registration. Please register by 11th September. Join us, we are looking forward to seeing you!
