

Let's Explore Eifel Landscape

This beautiful hike inspires nature lovers with its varied landscape. Over forest paths we reach the red sandstone rocks to the castle Nideggen and enjoy the great panorama. For this hike some fitness is necessary, as we will be on the road for about 3.5h to 4h. After the tour we invite you for a drink.

Let's go on Saturday, 21 August 2021 from 09:30 a.m. The registration deadline is 19.08.2021, to kultur@stw-d.de, the exact meeting point will follow after registration.

Throughout this day trip we are all required to follow the current Corona Protection Ordinance. If the corona test is necessary, it will be provided to each registered student before the event and will be done together.
