

3D Blacklight Minigolf

Have you ever tried it? 3D black light mini golf is fun - no matter what the weather is like outside! The Glowing Rooms achieve extraordinary accents through black light and special glasses. Renowned visual artists designed all walls and floors. Desert Race, Space Harbour and Dark Empire shine in brightly colored figures and shapes. Color and light fire the imagination. The entire room's visuals come to life and take you on a fantastic journey.
