

Creative - Workshop at the Museum Kunstpalast

In this experimental art workshop, we will first make a short visit to the exhibition of the famous wrapping artist couple Christo and Jeanne-Claude at the Kunstpalast. There we will get ideas for our own works. In the exciting practical part, we will then experiment with the design of wrapped objects, and exchange ideas about content and the mystery of the wrapped. We create our own individual packaging artwork, draw and paint this with experimental techniques (no prior knowledge necessary) and let ourselves be surprised by our two- and three-dimensional works.

When: Thursday, 24.11.2022 from 05:00 - 07:00 p.m.

Where: Museum Kunstpalast, Ehrenhof 4-5, 40479 Düsseldorf

Participation is free of charge for you. Registrations are possible by 18.11.2022 at kultur@stw-d.de.

For the event we are obliged to follow the current Corona regulations.
