

FACTORY TOUR OF FORD- WERKE GMBH IN COLOGNE

Would you like to get an interesting insight into Ford production from a new perspective? Together we will experience an exciting and informative guided tour through the modern Ford plant at the Cologne location. We will experience up close how the Ford Fiesta is produced. The tour is in German. Take this unique chance - the visit is only with us and only for you for free.

WHEN: Wednesday, 22.02.2022, tour duration: 12:45 - 3:15 p.m.
We leave together by train from Düsseldorf Hbf. around 11:00 a.m.
WHERE: Ford-Werke GmbH, Henry-Ford-Straße, 50735 Köln

Exact information about the meeting point will follow after registration.
Please register by 29.01.2023 at kultur@stw-d.de.
The return is planned for about 5 p.m. For the tour we are required to follow the current corona protection regulations.
