

## Polish-German Student Exchange

We are looking for energetic, motivated, and fun-loving students to help organize and run our exchange program in Düsseldorf and surroundings. From 10 to 14 April 2024 we'll welcome polish students from Politechnika Warszawska.

Thanks to the patronage of the German Polish Youth Organisation (DPJW) the program is entirely free. The participation in the exchange offers an intercultural experience, trips to other cities, an opportunity to practice a foreign language, new friendships and tons of fun! The return visit will take place at the end of September 2024 in beautiful Gdansk, Poland. Contact us and we'll let you know all about the details!

Maximum age: 26 years.
