

Aggertal Cave and Hike

Looking for an adventure out in the nature? Then join us on an exciting excursion to the Aggertal Cave, one of the region's most impressive natural wonders, followed by a relaxing hike through the picturesque surroundings! Our tour begins with a visit to the cave, which is hidden deep in the mountains of the Agger Valley. The cave is a fascinating example of the forces of nature and will enchant you with its impressive stalactite formations and mystical atmosphere.

After the cave tour, it's straight on into the great forests! The hike takes us through the idyllic Agger Valley, green hills and amazing views.

So grab some hiking boots and join us! We look forward to a great day with you!
