

Creative Ceramics Painting Course

We want to learn and practise the art of ceramic painting with you. This fascinating hobby is beginner-friendly and lots of fun. You will choose a ceramic piece to create on site. Whether it's a bowl, cup, plate or something completely different, there are some great products to choose from. After a short introduction to the technique, there are no limits to your creativity and you can design your work of art however you like. ! Your finished piece will also make a wonderful gift.

We look forward to a creative time with you!
