WORKSHOP African Drumming

Ready for a new experience? Whether you have a sense of rhythm or not, we want to learn the art of African drumming together in a group. This West African tradition is passed down from generation to generation, it is beginner friendly and from early on we can drum first songs together in a group. Moussa Diallo is from Senegal and has been taught traditional West African drumming, rhythms and singing since childhood. He plays the djembe perfectly and will be there to give us advice and support.
